

The logo graphic on the left side of the page consists of a vertical rectangle. The top portion is a solid teal color. Below this, the bottom portion is a stylized landscape or road graphic. It features a central white line that tapers from the bottom to the top, flanked by two parallel white lines. The background of this graphic is a mix of dark green and olive green, suggesting a field or a road stretching into the distance.

# LYONS FEDERAL BANK

Written Testimony

Dear Kansas Association Of Beverage Retailers,

Lyons Federal Bank supports your efforts to oppose Kansas House Bill 2200. This bill could alter the Kansas retail liquor industry by potentially diminishing and closing multiple Kansan-owned small businesses. These small family owned businesses are the life blood of our rural communities and are an essential part of our rural economy and the area our institution serves.

Sincerely,

A handwritten signature in black ink, appearing to read "Shane W. Edwards". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

Shane W. Edwards  
Executive Vice President
